

Neuroscience @ Technion

Science and Engineering of Neural systems Brain Research at the Technion

March 10th, 2022 9:30-15:00

Butler Auditorium, Neeman Institute, Technion

During this half-day retreat, neuroscience groups across different faculties at the Technion will be able to hear about the research being done by other groups, interact and exchange ideas.

To present the labs, short talks (5-7 min) will be given by each lab (students, postdocs or PIs).
